Parental Circular

Circular No. 15

Date:14/07/2022

Dear Parents,

Greetings!

The limits of one's language is the limits of ones world and to learn a language is to have one more window from which to look at the world.

As, all of you already know that we, with great efforts, have developed a surrounding where English is practised and spoken flawlessly as the first language. It's a proud moment for us to introduce one more in the row using the online platform from **1st August 2022**. The language that we are going to conceive is Japanese. It is often said that globalisation opens international markets, which is one of the reasons why Learning Japanese is important. Japan is the third largest economy in the world after the United States and China.

'Japanese' is an East Asian language which is originated from Japan that has three verse forms to establish a major control over the Literary world.

Scripts on which the Japanese Language is totally based are Kanji, Katakana and Hiragana. The vocables of this language do express the versatility of the Japanese text. It is a global language which is natively spoken over 128 territorial bodies.

This language is truly going to help us to have the conquer impact on global standard.

As, we being the mariners for your youths expect a positive attention towards the same. It will increase the sustainability of the youth in the society.

It's a humble request to the parents to motivate the children to sincerely attend the online classes that will be mentored by the devoted Japanese linguists.

Regards,

Principal
